International Symposium on Robotics and AI in Libraries and the Education Sector

We are pleased to announce a new International Symposium on Robotics and AI in Libraries in the Education Sector!

This follows a highly successful pre-conference on robotics with the International Federation of Library Associations (IFLA) at the Technical University of Applied Sciences Wildau, Berlin, held in August 2019. The Department of Library Services, in collaboration with IFLA IT section, are organising an International Symposium on Robotics and AI in Libraries, from 10–11 November 2021. The Symposium will be virtually hosted by the University of Pretoria (South Africa).
