Preface

This Standard Request for Quotations (SRfQ) for Goods has been prepared for use in contracts financed by the International Bank for Reconstruction and Development (IBRD) and the International Development Association (IDA). It modifies the Bank’s Standard Request for Bids for Goods document in order to support the procurement of medical consumables and other necessary Goods under COVID-19 Emergency Response Operations. If the procurement includes pharmaceuticals or vaccines, additional technical specifications and other specific provisions will be required, as included in the Bank’s Standard Procurement Documents for such items.

Recognizing the characteristics of emergency procurement, this streamlined procurement document has relevant features that should enable its use for contract amounts, as agreed with the Bank, that exceed the normal thresholds for Request for Quotations method.

IBRD and IDA are generally called the World Bank. Since the procurement requirements for IBRD and IDA are identical, “World Bank” in this SPD refers to both IBRD and IDA, and “loan” refers to either an IBRD loan or an IDA credit.

c. In addition to the legal remedies set out in the relevant Legal Agreement, may take other appropriate actions, including declaring misprocurement, if the Bank determines at any time that representatives of the Borrower or of a recipient of any part of the proceeds of the loan engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices during the procurement process, selection and/or execution of the contract in question, without the Borrower having taken timely and appropriate action satisfactory to the Bank to address such practices when they occur, including by failing to inform the Bank in a timely manner at the time they knew of the practices;
